# A PERSONAL LETTER

## Dear Members

It is with deep sadness that we start this year without our longstanding member and Vice President Don Crozier, who died recently, he was an example to us all and will be sadly missed.

As I write this there is at least 5 inches of snow outside and my garden no longer looks brown and grim as is usual for this time of year. I can close my eyes and visualise how I hope it will look when the summer comes (wishful thinking I hear you say). The warm weather will come back – I don't know when or how much, but I do know that, whatever nature throws at us, you will all do a tremendous job of coping and making the most of it. You will somehow manage to produce beautiful exhibits for the shows, you will venture out in the dark and wet to support our speakers and you will help committee members to put on all the events in our programme.

The 2009 Summer Show and Fete was a prime example of this. Despite the terrible weather there was a record number of entries including gorgeous flower arrangements, tables full of cakes and preserves and a wonderful art display. A heartening number of people donned wellies and raincoats to come down to the field and support everyone who had worked so hard to put the show on. My grateful thanks to all of you.

I am pleased to say that the Society continues to attract new members of all ages and your committee will continue to do its best to provide something for everyone.

As you look through your new schedule you will see that we have changed the Rose Evening slightly by including a category for iris both in display and the floral art. I hope you will find this an enjoyable extra, and look forward to as many of you as possible exhibiting and joining us for supper. This is our way of thanking you, our loyal and valued members.

I would particularly like to bring to your attention a change in Friday night registration arrangements: Wendy has very kindly agreed to the Society holding these sessions at the Crown and Anchor in 2010. There will be a registration evening before the Spring, Summer and Autumn Shows – we are delighted that the increased number of entries for the Autumn Show has made evening registration necessary.

Finally, I would like to thank all the committee members for their continued help and support, and all the members whose help we call upon during the year. Without this core of dedicated members it would be impossible to provide the Society's full and varied programme.

I look forward to seeing you in 2010 at the shows, visits and talks, which I hope you will all enjoy.

Kind Regards,  
Diann

### COCONUT CAKE

#### INGREDIENTS

175g (6oz) butter,  
softened

175g (6oz) castor sugar

3 eggs

225g (8oz) plain flour

1½ teaspoons baking  
powder

50g (2oz) desiccated  
coconut

up to 2 tablespoons of

Sift the baking powder and flour into a bowl.

Beat the eggs in a small bowl or cup.

Beat a tablespoon of the flour mixture into the creamed butter & sugar.

Then add alternate amounts of the flour mixture and the eggs to the creamed butter & sugar until they are all incorporated, beating well with each addition.

Fold in the coconut with a metal spoon.

Finally, fold in sufficient milk to make the

mixture soft but not sloppy. It should be slightly firmer than a Victoria sponge cake mixture.

Transfer to the tin and smooth the top with a knife.

## 3 Easy Steps to Enter

### 1. Plan                      2. Enter                      3. Stage

Study this booklet and decide which classes you'd like to enter. Jot your selections down on the entry form in the centre of this booklet. You don't need to be a member of the Society to enter, but it pays to join, so that you can win one of our Adult Trophies. Only three entries per class.

#### 2. ENTER

Send your entry form to the Entry Steward

- **By email: [hortsoc@ramsbury.org](mailto:hortsoc@ramsbury.org) (by the Thursday before the show.)**

You will be sent an Exhibit Card for each Exhibit you plan to show.

- **or, BRING entry form** to the advertised entry venue (**see pages 9, 15, 29, and 41**). There'll be friendly help on hand to advise you about how to exhibit and the full RHS Horticultural Show Handbook will be available. You will receive an Exhibit Card for each Exhibit you plan to show.

#### 3. STAGE

Staging is between 8 am and 10 am for the Spring and Summer and Autumn Show. See page 15 for the different arrangements for the Rose Evening.

Bring your Exhibits and your Exhibit Cards to the Show.

Stewards will be on hand to help you.

Use the description space on your Exhibit Card to describe your exhibit - a species or variety name for a plant or vegetable adds interest to the Show.

Staging for the **day** shows ends at 10 am prompt to allow the judges to work impartially.

## Prizes

The Ramsbury Horticultural Society is over 100 years old and has accumulated a large number of trophies: silver cups, bowls and plates given by generous donors, often in memory of family members.

### CHALLENGE TROPHIES

Most of our trophies are “Challenge” trophies, i.e. the winner keeps them for a year and then returns them to be competed for at the next year’s show. A full list of trophies appears on pages 7 & 8. Trophies are typically awarded either for best exhibit in a class (or group of classes), or on a highest points basis over several classes, first - 5 points, second - 3 points, third - 1 point. **Trophies in adult classes are only awarded to paid up members of the Ramsbury Horticultural Society.**

### MEDALS

Medals are perpetual awards that remain the property of their winner:

GARDEN NEWS MEDALS are unfortunately no longer provided by Garden News for their TOP TRAY vegetable and TOP VASE flower classes, so the Society will be awarding a medal for best exhibits in the classes. Special rules on page 28 still apply.

The Iris Medal is a new addition awarded by the Society for the Rose Evening.

**The BANKSIAN MEDAL** is awarded to the member winning the highest aggregated points, in a calendar year, in the four principal shows, i.e. the Spring Show, the Rose Evening, the Summer Show and the Autumn Show, in the vegetable, flower and fruit classes (but not the floral art classes). The Banksian Medal winners in the preceding two years are not eligible.

### PRIZE MONEY

Cash prizes are awarded for all children’s classes in the Spring, Summer and Autumn Shows:

First - £1.50 ; Second - £1.00; Third - 50p.

Prize money is paid at 4.00 pm at the Show.

Uncollected prize money will be regarded as a donation to the Society.

### ROSETTES for CHILDREN

Rosettes are awarded to the prize winners in each class.

# EXHIBITORS' NOTES - FOR HOME INDUSTRIES IN ALL SHOWS

## CAKES:

Cakes should normally be presented on a plate covered with a doyley.

Cooling rack marks and messy sides should be avoided.

## SMALL CAKES, BISCUITS AND SCONES:

The judge will look for uniformity in size and appearance. Sizes given in the schedule are always the inside diameter of the tin.

## PRESERVES:

All preserves should be shown in plain glass jars. Do not use jars with an impressed trade name or symbol in the jar.

Jars should be filled to within ½ inch of the top.

All preserves should have a label showing the name of the contents (e.g. 'Strawberry Jam') plus the day, month and year of making. **"Fabric and paper covers must not be put over the twist top"**.

## JAM:

Entries in this class should be boiled sugar preserves and not contain vinegar.

The jars should be sealed with either a wax disc plus cellophane cover or a twist top only.

## JELLY:

All jellies are strained through a jelly bag and then boiled, and the judge will look for colour and clarity in the jelly.

Jellies may or may not contain vinegar, depending on the variety.

Jars should be sealed as for jam.

## CHUTNEY:

Any preserve using vinegar that is not a jelly must be entered in this class.

Chutney should always be sealed with a plastic lined twist top.

# EXHIBITORS' NOTES - FOR SHOW ENTRIES

## IN ALL SHOWS (TAKEN FROM THE RHS SHOW HANDBOOK)

Attention should be paid to the number of specimens for which the schedule asks.

All exhibits should be staged as attractively as possible in accordance with the rules and schedule. Do not polish fruit.

Strive to produce exhibits of good balance with flowers of even size and good quality that are accommodated in containers of suitable proportions.

The judges will be looking for average-sized blooms in most classes but above average size in classes for specimen blooms.

**Currants, jostaberries** and **worcesterberries** should be picked with the strigs intact choosing the longest strigs with the largest fruits.

**Apples, pears, plums** and allied fruits, **cherries, quinces, figs, medlars, blackberries, raspberries, strawberries** and allied fruits should be picked with stalks intact.

**Fruit** should be fresh, uniform, free from blemish and characteristic in shape and colour.

**Root vegetables** must have the leaves cut so that approx' 75mm of leaf stalk remains, and should be neatly tied.

**Peas, beans** etc should be fresh pods, cut from the plant with scissors, ensuring that each pod has a portion of stalk.

**Garlic** - stage bulbs as complete specimens, do not divide into segments.

**Marrows** - tender, young, uniform fruits are most desirable, which should be less than 350mm long.

**Onions** - uniform, well ripened bulbs of good colour, tops should be tied or whipped using uncoloured raffia. **Shallots** should be staged on dry sand. Roots cut to basal plate.

For show purposes a **culinary herb** is an essential ingredient in many foods, which makes it of value for flavouring.

**Herbaceous perennial** - a plant with a non-woody stem that either dies down to the ground completely each winter, or retains its basal foliage.

**1. EXHIBITS** must be the property of the exhibitor. All flowers, fruit and vegetables must either have been grown by the exhibitor, or have been in his/her possession for at least 2 months. Produce from an employer's garden must be entered in the employer's name.

All exhibits in the HOME INDUSTRIES section must have been made by the exhibitor and must not previously have been shown in a Show organised by the Society.

**All exhibits from children must be unaided work.**

No exhibit shall be removed from the Show before the prize giving is completed.

### **2. COLLECTIONS/UNSPECIFIED VEGETABLE AND FRUIT CLASSES**

The number of each kind of vegetable or fruit should be as set out in the individual classes. Where it is desired to exhibit a kind of vegetable or fruit not represented in the individual classes, reference should be made to the Show Secretary, who will agree the number to be shown.

**3. EXHIBITORS** should provide a plate, tray, basket, glasses, vase or other suitable receptacle for exhibits. Vegetables must be clean and outer leaves should be removed. Exhibitors are reminded that care in display not only improves the look of the Show, but may help them in competition.

**4. ENTRANTS** are allowed to make a maximum of three exhibits in any class, as long as each entry is different i.e. of a different variety or type as allowed by the Schedule.

**5. AN EXHIBIT WILL BE DISQUALIFIED** (a) If it does not contain the exact number of specimens called for in the schedule. (b) If it is not in the particular type of receptacle specified. (c) If any of the points in Rule 1 or 4 are not adhered to.

**6. THE COMMITTEE** shall have the power to decide whether an exhibitor is eligible to enter any particular class. It also reserves the right to inspect the garden or allotment of any exhibitor, or may authorise the Judges to make such an inspection.

**7. TROPHIES IN ADULT CLASSES WILL ONLY BE AWARDED TO PAID-UP MEMBERS OF THE RAMSBURY HORTICULTURAL SOCIETY**

**8. JUDGING** The Judges shall have power to withhold any prize if, in their opinion, there is insufficient merit. They may also award a prize (or card) to any deserving exhibit in excess of the prize authorised by the schedule.

**9. PROFESSIONAL GARDENERS** who are not resident in the Parishes of Ramsbury, Axford, Aldbourne, Baydon, Chilton Foliat and Froxfield and all Commercial Gardeners may not show in the horticultural classes of any Society Show. A professional gardener is defined as a person who gains his or her livelihood by growing plants, flowers, fruit or vegetables for an employer, or who is employed in the maintenance of a garden, pleasure garden or park. This does not include casual or part-time employment. A Commercial Gardener is defined as someone who gains his or her livelihood by growing plants for sale.

**10. LOSS OR DAMAGE** All exhibits, personal property etc., shall be displayed at the risk of the exhibitors and the Society shall not be liable for compensation for loss or damage from any cause whatsoever.

**11. PROTESTS** Any protest must be made in writing and delivered to the Show Secretary before 3.00 pm on the day of the Show. A deposit of £2 must be made with the protest, and this will be refunded if the protest is upheld or at the discretion of the Committee.
